

CLEANING GUIDE - Furniture

The WETSTYLE wood furniture is made from natural wood veneer, on dimensionally stable MDF core. To ensure that the wood is water-resistant, it is hand-finished with four coats of a special marine grade sealant, a finish designed for boat decks, ensuring moisture, stain and damage resistance and earning the highest rating (Level 5) offered by the American Woodworking Institute.

The WETSTYLE furniture is ultra-easy to clean: after each use, simply wipe with a soft cloth after each use, to remove any surface dirt.

For standard cleaning, we recommend using warm water with vinegar.

Do not use abrasive products or cream cleansers.

Never use petroleum-based products when cleaning, i.e. paint thinners or other solvents, as they may damage the wood surface.
