CLOUD, STRAIGHT & WAVE Bathtubs

CLOUD

The Cloud bath lives somewhere between the past and present; its flared shape evokes a vintage feel, while its flowing lines and solidity are rooted in the contemporary, making it the perfect match for transitional tastes..

A gently curved base gives this bathtub a distinctive style; a simple rounded base can be substituted for a more traditional look.

Like all WETSTYLE bathtubs, Cloud is hand-crafted in WETMAR BIO™, a robust, non-slip, thermo-insulating eco-material. Available in True High Gloss™ or matte finish.

62 x 30 x 23 in.

STRAIGHT

59 x 34 x 22 in.

Straight's dimensions are ideal for small spaces and its rectangular, contemporary look, softened by its curves, lends an elegant feel to today's bathrooms. The bathtub's subtly inset base adds an extra touch of refinement.

WAVE

58 x 26 x 25 in.

Less than 58 inches long, Wave is a freestanding model that can easily fit in standard bathrooms measuring 5 x 8 feet. Comfort remains paramount, thanks to the high-back design of the tub, making it perfect for reading or relaxing.
