Large Systems

1 Gym Space

Emphasizing well-being, Gym Space incorporates components for physical fitness with wall units that can be fitted with benches, bands and resistance systems. Other accessories include shelves, mirrors and lights.

Materials Plywood in natural wood or anthracite, accessories in white or anthracite

Dimensions From 70 to 120 cm wide

Manufacturer Scavolini, scavoliniusa.com

2 Element Raffiné

Minimalist yet warm, this system includes a wall-mounted vanity, a mirrored cabinet and a mirrored linen cupboard, which can be left- or right-hanging.

Materials Natural or lacquered walnut, eucalyptus, oak or mozambique

Dimensions Vanity, 50 x 51 x 61 to 183 cm; cabinet, 61 to 183 cm; cupboard 39 x 40 x 167 cm

Manufacturer Wetstyle, wetstyle.ca

3 R.I.G Modules Bath

A customizable system of sleek volumes, R.I.G. can be wall-mounted or freestanding. The utilitarian design suits both private and public spaces.

Materials Black powder-coated steel, Carrara marble

Dimensions Shown, 50 x 87 x 279 cm

Manufacturer MA/U, maustudio.net

4 XSquare

An angular polished chrome frame gives this series both elegance and an industrial edge. Pieces include vanities with one or two handleless drawers, mirrors with touch-free lighting, and storage cabinets.

Materials MDF in various colours and finishes, chrome

Dimensions 34 x 43 to 48 x 128 cm (in seven widths)

Manufacturer Duravit, duravit.com
